

Government Consulting Capabilities Statement

We make an impact in everything we do, providing the highest level of personal and professional service using seasoned judgment, creativity, and responsiveness.

Firm Overview

Thomas Howell Ferguson P.A. CPAs (THF) provides superior disaster public assistance services, integrity monitoring, grant administration, auditing, and performance auditing, all with the goal of maximizing value for our clients. The THF team builds strong relationships with federal, state, and local governments. This includes moving over \$2.1 billion in public assistance funds, with over \$1 billion being disbursed within the last three years for Hurricanes Irma, Michael, and Dorian.
